## Mission

Our mission is to provide a safe and nurturing day program for individuals with intellectual and developmental disabilities who seek to participate in a homestead type environment.

## Vision

The Vision of Next Step Farms is to provide a hands on program for special needs adults through the production of farm fresh protein, produce, and products generated through the homestead environment..

- 
- At Next Step Farms, we strive to...
- \*Accept each other understanding that we have our own abilities and limitations.
  - \*Encourage one another in positive ways.
  - \*Fully participate in teaching, learning, work and social activities.
  - \*Aim to work as a team until the task at hand has been completed.
  - \*Create a culture free of abuse, harassment and unfair criticism.
